To Gary:

All of us here at Coastal Angler Magazine would like express a big "Thank you" for your help with Hook Kids on Fishing held at the Marine Resource Council in Melbourne. Without your wonderful support, positive attitudes and knowledge of fishing we would not have had as much fun.

*See the fun we all had!! One of the main reasons was you were there, and we **appreciate** you!! Thank you!*

*P.S. Use the  
free passes  
for your friends  
or family!*

**Use, Don't Abuse our Waterways!**
